Dear Parent/Guardian:

As the parent of a student at Alhambra High School, in accordance with the federal *No Child Left Behind Act of 2001*, you have the right to know the professional qualifications of the teachers who instruct your child. Specifically, you may request the following:

- Whether a teacher meets Arizona licensing criteria for the grade levels and subject areas that he/she is teaching.
- Whether a teacher is teaching under an emergency or provisional status through which Arizona licensing criteria has been waived.
- A teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive any of this information, please call Alhambra High School at (602) 764-6002.

Sincerely,

Claudio Coria
