

LINK CREW

Every Student Matters. Every Moment Counts!

Information

Link Leaders are upperclassmen who are good role models for younger students and who have been successful at our high school. Link Leaders' communication skills, leadership potential, responsibility, and personality have helped them succeed in the high school environment, and the lessons they have learned should be shared to help others succeed. You could have a tremendous influence on our new students and you will learn many valuable leadership skills in the process. Plus, it will be fun!!

What are some of the things Link Leaders do?

- ◇ Work with incoming freshman before school starts and during the school year
- ◇ Run freshman orientation
- ◇ Plan Social Events
- ◇ Meet with freshman throughout the year to discuss problems and share activities with them

We know that the more contact a freshman has with his/her Link Leader the more successful the freshman will be.
