STAFF USE OF DIGITAL COMMUNICATIONS
AND ELECTRONIC DEVICES

Social media is the use of web-based and mobile technologies to communicate through interactive dialogue. Social media technologies include but are not limited to blogs, picture-sharing, vlogs, wall-postings, e-mail, instant messaging, music-sharing, crowdsourcing, Facebook, LinkedIn, My Space, Twitter, You Tube, and any successor protocol to transmit information. Mobile technologies are any devices that transmit sounds, images, texts, messages, videos, or electronic information; electronically records, plays, or stores information, or accesses the Internet, or private communication or information networks. Current examples are Smartphones such as BlackBerry, Android, iPhone, and other such mobile technologies and subsequent generations of these and related devices.

The Governing Board recognizes how web-based and mobile technologies are fundamentally changing opportunities to communicate with individuals or groups and how their use can empower the user and enhance discourse. The Board equally recognizes that the misuse of such technologies can be potentially damaging to the District, employees, students and the community. Accordingly, the Governing Board requires all employees to adhere to adopted policies and to utilize digital communications and electronic devices in a professional manner at all times.

Nothing in this policy shall be interpreted to interfere with employee speech rights established under the United States Constitution, the Arizona Constitution, or applicable legal precedent.

The Board establishes the following parameters:

District employees

• shall adhere to all Governing Board policies related to technologies including but not limited to the use of District technology, copyright laws, student rights, parent rights, the Family Educational Rights and Privacy Act (FERPA), staff ethics, and staff-student relations;

• shall only use District controlled or approved technologies when communicating with students or parents;

• shall allow the District access to any technologies used to communicate with students and District staff;

• shall not use District owned or provided technologies to endorse or promote a product, a cause or a political position or candidate;
• in all instances must be aware of his/her association with the District and ensure the related content of any posting is consistent with how they wish to present themselves to colleagues, community members, parents and students;

• shall not use District logos or District intellectual property without the written approval of the Superintendent;

• shall use technologies to enhance and add value to communications with District students, parents and staff and be respectful of those with whom they communicate;

• shall immediately report all misuse or suspected misuse of technology to their direct supervisor/administrator who in turn will immediately report to the Superintendent;

• shall comply with all applicable records management parameters established by Arizona State Library, Archives and Public Records.

The Superintendent shall communicate the above to all employees of the District at the beginning of each school year and to newly hired employees as part of the hiring process.

The Superintendent shall establish which technologies are approved for use by employees to communicate with parents and students. Approved technologies shall be communicated to the Board and employees prior to the start of every school year, to newly elected Board members prior to taking office, and to newly hired employees as part of the hiring process.

The Superintendent shall determine which records retention and management guidelines as established by the Arizona State Library, Archives and Public Records are applicable to this Board policy and communicate these guidelines to the Board and employees prior to the start of every school year, to newly elected Board members prior to taking office, and newly hired employees as part of the hiring process.

Violations of this policy may result in disciplinary action up to and including termination and may constitute a violation of federal or state law in which case appropriate law enforcement shall be notified. The Superintendent shall report violations of this policy to the Board and shall make reports to the appropriate law enforcement agency when determined necessary.
