

# Get Your FSA ID Today

**What is an FSA ID?** The username and password is required to electronically sign your FAFSA and to visit other U.S. Department of Education websites.

**How do I get an FSA ID?** Visit [studentaid.gov/fsaid](http://studentaid.gov/fsaid)

- What do I need to get an FSA ID?**
- Your Social Security Number
  - Your full name as listed on your Social Security Card
  - Your date of birth
  - Your email address

**Note:** If you are a dependent student, at least one parent will need to create their own FSA ID using their own email address. You or your parent can get a free email account at sites such as Hotmail, Gmail or Yahoo if needed.

## TIPS

Click on the "Show Text" box so that you can see what you are typing.

**Username:** Use something that you are familiar with, consider using the beginning part of your email address (before the @ symbol).

**Password:** You cannot use your first or last name in your password. It must be at least 8 characters long and must include at least 3 of the 4 below:

1. Number      2. Uppercase Letter      3. Lowercase Letter      4. Special Character

**Challenge Questions:** There are a total of 4 questions, you will be asked to create 2 yourself. Choose simple questions with answers that do not change. Examples:

- |                                    |                                   |
|------------------------------------|-----------------------------------|
| ✓Your mother's maiden name         | ✓Your high school mascot          |
| ✓City your mother was born in      | ✓Your father's middle name        |
| ✓Name of your first pet            | ✓Name of your elementary school   |
| ✓Name of the street you grew up on | ✓Name of your first grade teacher |

**Significant date:** Choose something simple you will not forget; you may not use your date of birth. Examples: High School Graduation Date, Mother's birthdate, Father's birthdate
